

DR. S.P. AGGARWAL

Dr S. P. Aggarwal, the past Vice President of IDA HO and President of IDA Delhi State Branch, is a distinguished Orthodontist and director of the Delhi based Green Park Dental Institute & Research Centre, the only ISO 9001 and ISO 14001 certified institute of its kind.

An alumnus of KGMC, Lucknow, (1972-78) he worked at the All India Institute of Medical Sciences, New Delhi (1978-81). Having worked on the faculty of various prestigious institutions such as the American University in Nigeria and Christian Medical College, Ludhiana, he has been conferred upon with a number of prominent fellowships including the Fellowship of American College of Dentists in 1998. Recipient of the National Excellence Award in the field of Surgery on 26th January 1997, Dr. S. P. Aggarwal has been bestowed upon the honor of being appointed as Honorary Dental Adviser / Consultant to the Armed Forces medical services, Ministry of Defense, Govt. of India.

With a fierce passion for Implantology, **Dr. Aggarwal** runs a busy practice, putting hundreds of implants a year. He has had the rare privilege of working with PI Branemark (the father of Implantology) in Sydney (1994). With growing interest in the field, he has strived to use a diversity of implant systems, grafting modalities, instruments and implant stability measuring devices. Apart from mentoring for many companies, he continues to successfully run beginners and advanced implantology courses at the **Green Park Dental Institute** in New Delhi.
